REMARKS

The claim amendment above only corrects a typographical error introduced in the version

of claim 4 set forth in the Examiner's amendment, i.e. by changing "6the" to just "the" in the last

line of claim 4. Otherwise, claim 4 should correspond to the version as amended by the

Examiner. The other claims have not been amended above. Since the amendment is directed

only to a matter of form and does not raise any substantive issues, entry after allowance should

be proper at this time. Entry of the amendment and issuance of the patent based on the listing of

claims above is earnestly solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is

hereby made. Please charge any shortage in fees due in connection with the filing of this paper,

including extension of time fees, to Deposit Account 500417 and please credit any excess fees to

such deposit account.

Respectfully submitted,
